

Technical Requirements for 'Funky Fi – Disco Date'

Length of show: 30 minutes

Rig set-up time: 1 ½ hours

Rig take-down time: 1 hour

Set-up time pre-show: 10

Take-down time: 10 minutes

Space required: - Circle of approx 3-4 metres radius once the rig is up, plus an additional 6m clear path on one side during set-up and take-down
- Ground needs to be reasonably flat
- minimum 7 metres clear height

Other requirements: - A room for changing and warm-up would be nice but can work without it
- Vehicle access to (or close to) the site
- Parking suitable for a van (no height restriction)
